

# Veracity Webinars

## SCHOLAR UPDATE

Veracity Lab is seeking to co-design a positive repositioning of our digital future that puts people at its centre.

In this webinar our PhD scholars will be sharing their insights and research to date.

Each 10min presentation will be followed by a 5min Q&A.  
Open facilitated discussion will follow the three presentations.

**DATE & TIME:** July 29 (Friday), 12 noon - 1.30pm
